## Math Lab Syllabus 2018-2019

Dear Students and Parents/Guardians:

Welcome! Math Lab is designed to provide additional time and instruction in mathematics several times a week. The goal is to increase student's confidence and enjoyment of mathematics. I am looking forward to getting to know you and having a wonderful experience this year.

### Course Objectives:

The students will:

1. Deepen a flexible understanding of the base ten number system
2. Develop fluency with rational numbers
3. Develop and model proportional thinking
4. Practice pro-active academic skills
5. Feel supported, welcome, prepared and successful in middle school math

### Course Requirements:

The goal of this class is for students to have additional time and support in mathematics several times a week. Activities will be individualized. Students will be expected to participate in class activities each day and/or complete work by the end of class.

### Supplies/Homework:

In order to ensure student success, students will need to bring the following to class EVERY class day:

- Planner with current math assignments noted
- **Sharpened Pencils with erasers**
- Spiral notebook & two-pocket folder used for math class
- Notebook paper or graph paper
- **Positive, responsible, on-task attitude!**

### Grading:

The grade for this class will be "PASS/FAIL" and will be based on class participation, willing cooperation and completion of class activities. Online grades will be available via Skyward and updated every two weeks.

Please fill out the [survey](#) about your student found on my blog---[melindasmath.blogspot.com](http://melindasmath.blogspot.com)--and linked to my Blue Heron teacher's page. Thank you!

Sincerely,

Melinda Pongrey
